

## A/C CHARGING STATION

# THE HEIR OF NANO

*The most compact A/C charging station for R134a of the Itech range*

With an **extraordinarily-compact size** of only 500x440x800 mm, **ARCTIC FOX** provides a full-range charging capability for **R134a** vehicles, representing the best solution for anyone looking for an easily-transportable system. Natural evolution of historical Nano station, Arctic Fox adds printer, warming belt, retractable handle and a larger-capacity gas tank.

Equipped with internal vehicle **database**.
