

A/C CHARGING STATION

BABY EVOLUTION

Our new compact A/C charging station for R134a

With an **extraordinarily-compact size** of only 500x480x900 mm, **BABY EVOLUTION** provides a full-range charging capability for **R134a** vehicles, representing the ideal complement to the new ICON flagship station for HFO vehicles.

Equipped with internal vehicle **database** and with the ability to inject tracer together with new oil.
