

A/C CHARGING UNIT

BRINGING HFO GAS TO A NEW DIMENSION

The first important update for our HFO A/C charging station

With an **extraordinarily-compact size** of only 500x480x900 mm, **ICON 2.0** provides a full-range charging capability for **R1234yf** (HFO) vehicles, suitable for **hybrid vehicles** too. The 2.0 version contains a significant update: we have added, in fact, **new-oil and used-oil weighing**.

Equipped with updatable internal vehicle **database**.
