

A/C CHARGING STATION

RELIABILITY AND STRENGTH

Top-selling R134a station of Itech's range

The **NORTH CAPE** station, deeply re-styled during 2018, provides a full-range charging capability for **R134a** vehicles, and has always been our flagship solution. Reliable, sturdy, complete and with an acceptable size, North Cape will be a well-balanced and optimal choice for any workshop with a normal space availability.

Equipped with internal vehicle **database** and also available with a **specific version for hot climates**.
