

# NORTH STAR IP54

## A/C CHARGING STATION

### RELIABILITY AND STURDINESS EVERYWHERE

*Our A/C charging station for hard environments*

The **NORTH STAR IP54** station is designed for full maintenance of **R134a** vehicles A/C systems in **harsh environments**, where resistance to impacts and humidity are essential requirements. Its current use is mainly in the **mining sector**, thanks to the robust **AISI 316 stainless steel** chassis and the **IP54 protection class** (dust and water splashes).

Equipped with internal vehicles **database**.
